

Community Survey on Policing Priorities for the Town of Sackville

The recently established *Citizen’s Advisory Committee on Policing* would very much appreciate input from Sackville residents regarding policing priorities. The short survey below will allow you to communicate your opinions, suggestions and concerns with regards to policing services currently being provided to the Town. Your comments will also help the *Committee* better represent the views of the community in its advisory role to the Mayor and Council.

All responses will be strictly confidential.

1. Please rank the importance of each of the following police services with 1 being of highest importance and 5 being of the least importance.
